

WAIER Digest | September 2020

Thank you for engaging with our online forum!

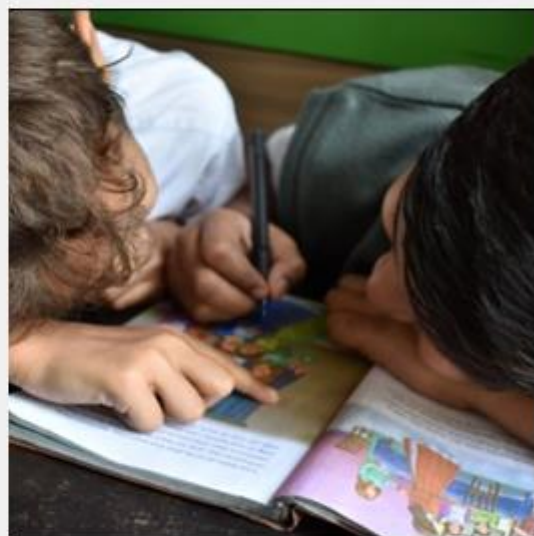

We were thrilled to welcome so many members of our WAIER community to our online forum in August 2020. The recordings of the forum are available on our Facebook page: [Keynote Address](#) and [Awards/Panel](#).

For updates about our events in 2021, stay tuned in to upcoming WAIER Digests and follow us on [Facebook](#) and [Twitter](#).

WAIER recommends

"Teachers and school leaders already have high demands on their time, and adding another burden to their work is untenable. But trauma-informed practice is not necessarily an add-on. Rather, it is a different way of working and communicating to improve students' relationships with school staff, and their school engagement and learning."
